

DNA Processing Consent Form

Full Name:

Address:

Email:

Phone Number:

By submitting this consent form, you consent to ORG SERVICES LIMITED of 1st floor, Romer House, 132 Lewisham High Street, London, SE13 6EE, United Kingdom processing your personal data (including your biological samples) to:

- Convert your physical DNA Sample into DNA data.
- Transfer your DNA Data to our partner laboratories (including outside of the EU) exclusively for the purpose of carrying out DNA Test. This data will be shared without your name, contact information or other identifying information.
- Use your DNA data to provide you reports about your individual traits and characteristics.
- Invite you to participate in optional surveys and questionnaires through which we may gather more personal information for additional insights.
- Identify specific genetic markets (depending on the DNA Test selected by you) via your DNA Sample.
- Provide consistent quality and improve our product features and services.
- Help create new product features and services, including products related to wellness and healthy living.

I understand and agree that my DNA Data will be processed in accordance with the Privacy Policy of ORG SERVICES LIMITED.
